MASTER OF EDUCATION (EDUCATIONAL PLANNING & MANAGEMENT)

1.0. Introduction

The Master of Education (Educational Planning & Management) programme (M.Ed. EPM) is fully accredited by National Council for Higher Education (NCHE). The programme will be delivered in the Faculty of Education, and specifically under Department of Educational Administration and Management.

2.0. Programme Rationale

Education systems nationally and globally have witnessed significant growth in investment coupled with drastic changes, that have exerted immense pressure to educationists to operate more professional and efficient management systems. The Master of Education (Educational Planning and Management) curriculum thus recognizes the increasing demand for scholars who are specialized in educational planning and management to address educational demands and challenges in the 21st century. The programme therefore aims to improve the quality of educational planning and management by producing competent and professional educational planners, leaders, managers, administrators and educationists.

3.0. Programme Objectives

The programme objectives are:

- i) To train and produce educationists with strong analytic and critical thinking, capable of addressing educational demands and challenges.
- ii) To enhance the effectiveness and efficiency of educational planning, and management of educational institutions, for better performance and learning outcomes.
- iii) To empower the graduates to provide educational research and consultancy services.
- iv) To provide career pathway for graduates to pursue PhD programmes in Education.

4.0. Programme prospects

Graduates of Master of Education (Educational Planning and Management) programme will have a wide array of career prospects. Typical jobs are, head teachers, administrators, educational planners and managers, College tutors and University lecturers.

5.0. Programme duration

The programme duration is two (2) academic years, comprising of four (4) Semesters and one (1) Recess Term.

6.0. Target Group

The programme targets holders of; Bachelor of Science with Education, Bachelor of Arts with Education, Bachelor of Education (Primary or Secondary) OR Postgraduate Diploma in Education.

7.0. Admission Requirements
